DEDICATION

The class of '87 proudly dedicates its yearbook to two dedicated men who have donated their time and energy to the students of Essex Aggie.

Charlie Williams has been with Essex Aggie for 10 years. He has given of himself to the students, the teachers and the building. We thank you, Charlie, for all you done for us.

For more than 20 years Mr. Shipulski has consistently and unselfishly given of himself to his students. He is certainly going to be missed when he retires. Good Luck, Mr. Shipulski!

Judith McNamara

The Class of 1987 would like to extend a special thanks to our class advisor, Mrs. McNamara. Without her hard work and dedication, we would not have had a successful year. We know that she put up with a lot, and we truly appreciate all her time, effort and support.
